

MACK BRUSHES AND ROLLERS

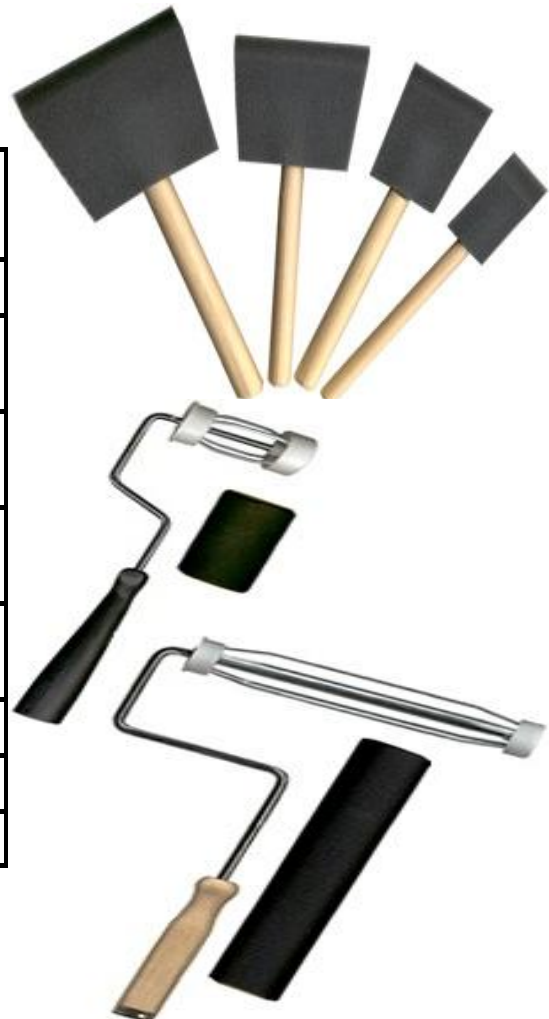

Poly Brushes and Poly Rollers

SERIES 1014

The Mack poly brush and poly roller product line is the profitable throw away brush which is so easy to use that even inexperienced painters go for it. They are good for all smooth surfaces, ideal for the application of enamel, latex, stains, oil paints & varnish, but not for Shellac or Lacquer.

The Poly Brush & Roller smooths out the paint & covers correctly with fewer strokes. Since they leave no brush marks or loose bristle, they are great for preparing Sign Boards. The Poly Brush stands number one among foam brush manufacturers.
